

Crytter Privacy Policy

INTRODUCTION

Welcome to Crytter.com ("we", "our", "us"). We are dedicated to safeguarding and honoring your privacy. This Privacy Policy describes how we gather, utilize, and share your personal data when you access our website [CrytToken.io] (the "Website").

PERSONAL DATA WE GATHER

Data You Supply to Us:

- **Customer Assistance Data:** If you reach out to us through email, you might supply your full name, email address, and any details you decide to include to assist us in responding to you. This data is used exclusively for customer assistance.
- **Subscription Data:** Personal details are needed only if you opt to join marketing communications, such as newsletters and notifications.
- **Precision of Data:** It is your duty to make sure the data you submit is precise and up-to-date.

Data We Gather Automatically:

- **Identifiers:** This encompasses your name, email address, IP address, device and app identifier, unique identifier, location details, and device specifics (model, brand, operating system).
- **Cookies:** We employ cookies and comparable tools (e.g., web beacons, log files) to improve your visit. Cookies are tiny files stored on your device that support specific functions. You can adjust your cookie settings via your device or browser options, although declining cookies could affect site performance. For further information, refer to our Cookies Policy.

Data Obtained from External Sources:

- **External Platforms:** If you sign up using an external account (e.g., Wert or Web3Auth), we might obtain your external identifier.
- **Collaborator Exchanges:** Transactions made through wallet links are visible on the blockchain; we do not get alerts for specific wallet identifiers.
- **Analytics Data:** We utilize external analytics services, such as Google Analytics, to collect data that aids in enhancing our offerings. This information concerns user behavior and is not personally identifiable.
- **External Terms and Policies:** Linking your virtual wallet to our site may expose you to external terms and policies. It is your obligation to examine and consent to those terms.

HOW WE UTILIZE YOUR DATA

We utilize the data collected in these manners:

- To Deliver and Sustain Our Offerings: Guaranteeing the provision of the services you seek and handling your requests and purchases.
- To Enhance Our Site: Comprehending user behavior to improve experience and features.
- To Interact with You: Delivering updates, newsletters, and other details you might find engaging.
- For Promotional Aims: Notifying you about offerings and services that could appeal to you.
- To Meet Legal Duties: Guaranteeing compliance with legal and regulatory standards.

SHARING OF YOUR DATA

We may distribute your data with external parties in these situations:

- Service Partners: Distributing data with external service partners that aid in functions like payment handling, data examination, email transmission, hosting, client support, and promotion.
- Corporate Transfers: In case of a merger, divestiture, funding, or purchase of our operations, your data might be transferred.
- Legal Mandates: Revealing data if mandated by law or in reply to legitimate demands from governmental bodies.

PROTECTION OF YOUR DATA

We apply managerial, technical, and physical safeguards to secure your personal data. Although we endeavor to protect your information, no protection method is unbreakable, and we cannot assure complete safety.

YOUR PRIVILEGES

Based on your location, you might possess privileges under data safeguard laws concerning your personal data, including:

- Privilege to Access: Solicit access to your personal data and details on our usage.
- Privilege to Amend: Solicit amendment of any imprecise or unfinished data.
- Privilege to Delete: Solicit removal of your personal data, contingent on specific legal stipulations.
- Privilege to Limit Handling: Solicit restriction on the handling of your personal data.
- Privilege to Data Transferability: Solicit the conveyance of your personal data to another entity.
- Privilege to Revoke Consent: Revoke consent where formerly granted.

We might impose a fair charge for baseless, repeated, or excessive solicitations or decline to adhere in such instances. We might request extra details to confirm your identity and guarantee your entitlement to access your data. We strive to reply to valid solicitations within one month, although intricate solicitations might require additional time.

INQUIRIES & GRIEVANCES
